

**53rd Annual Meeting and Conference of the Canadian Society of Biochemistry,
Molecular and Cellular Biology**

Membrane Proteins in Health and Disease

Thursday, April 15, 2010 to Sunday, April 18, 2010

**Banff Centre
Banff, Alberta, Canada**

Wednesday April 14, 2010- Only the Bicarbonate Transporter Satellite Meeting starts this day.

Satellite Meeting on Bicarbonate Transporters 7:30-10:30 PM

Thursday April 15, 2010

Satellite Meeting on Bicarbonate Transporters 8:30 AM-12:00 Noon

Meeting Registration in Lobby of Max Bell Auditorium 1:00-5:00

1. Main Meeting Opening Session (Session Chair: Reinhart Reithmeier) 5:00-6:00 PM

Opening Remarks

5:00-6:00 PM

Plenary lecture: Gunnar von Heijne, Stockholm University

Dinner 6:00-7:30 PM

2. Membrane Protein Trafficking & Folding (Session Chair: Joe Casey)

7:30-10:30 PM

Ron Kopito (Stanford University), Emmanuelle Cordat (University of Alberta), Franck Duong (University of British Columbia), and David Andrews (McMaster University)

Friday April 16, 2010

Breakfast 7:00-8:30 AM

3. Regulation of Membrane Proteins (Session Chair: Larry Fliegel)

8:30-12:00 Noon

Joachim Deitmer (Technical University of Kaiserslautern), Daniela Rotin (University of Toronto), Jonathan Lytton (University of Calgary), and Larry Fliegel (University of Alberta)

Lunch 12:00-1:30 PM (Bagged lunches can be pre-arranged for those going on outings)

Poster Session I 4:00-6:00 PM

Dinner 6:00-7:30 PM

4. Membrane Protein Structure (Session Chair: Howard Young)

7:30-10:30 PM

Joanne Lemieux (University of Alberta), Kaspar Locher (Swiss Federal Institute of Technology Zurich), Jeff Abramson (University of California Los Angeles), and Francisco Bezanilla (University of Chicago)

Saturday April 17, 2010

Breakfast 7:00-8:30 AM

5. Membrane Proteins in Diverse Species (Session Chair: Elaine Leslie)

8:30-12:00 Noon

Ekkehard Neuhaus (Technical University of Kaiserslautern), Dean Price (Australian National University), Etana Padan (Hebrew University of Jerusalem), and Janet Wood (University of Guelph).

Lunch 12:00-1:30 PM (Bagged lunches can be pre-arranged for those going on outings)

Satellite Meeting on Na⁺/H⁺ Exchangers 1:00-5:00 PM

Poster Session II 4-6 PM

CSBMCB Annual General Meeting 4:00-5:00 PM

Plenary Session- CSBMCB Award Talks 6:00-7:30 PM

Banquet Dinner 7:30-9:00 PM

Sunday April 18, 2010

Breakfast 7:00-8:30 AM

6. Membrane Proteins and Diseases (Session Chair: Xing-Zhen Chen) 8:30 AM-12:00 Noon

Elaine Leslie (University of Alberta), Gergely Lukacs (McGill University), Steve Somlo (Yale University), Sven-Eric Jordt (Yale University)

Lunch 12:00-1:30 PM (Bagged lunches can be pre-arranged for those going on outings)
