

2021 MOUNTAIN PHOTO ESSAY COMPETITION

Photo Essay Entry Procedures and Regulations

The **Mountain Photo Essay Competition** is a program of Mountain Culture at Banff Centre for Arts and Creativity. We promote understanding and appreciation of the world's mountain places by creating opportunities for people to share and find inspiration in mountain experiences, ideas, and visions. Other Mountain Culture programs include the Banff Centre Mountain Film and Book Festival and World Tour, a Mountain Photography Residency, a world renowned Adventure Filmmakers Workshop and Masterclass. Literary Arts at Banff Centre also hosts a three-week Mountain and Wilderness Writing Program.

COMPETITION GUIDELINES:

The competition format is the photo essay. At its simplest, the definition of a photo-essay is a set or series of photographs that are intended to tell a story or evoke emotions in the viewer. We invite photographers to submit curated photo essays to illustrate their mountain related stories that fall under the sub-categories of culture, adventure, wildlife, sport, environment, or natural history. The selection committee and jury will be seeking a sequence of images that conveys a compelling story or message – with each image strong enough to stand on its own while conveying a greater narrative when viewed in the photographer's desired sequence.

ENTRY DEADLINE: May 3, 2021

Note: The complete entry including submission form and images must be received no later than May 3, 2021. After this date, your entry may not be eligible to be included in the judging process. However, the organizers reserve the right to consider these entries.

If you have any questions about these regulations please contact us before completing the entry form at:
