

# 2019 MOUNTAIN PHOTO ESSAY COMPETITION

## Photo Essay Entry Procedures and Regulations

The **Mountain Photo Essay Competition** is a program of Mountain Culture at Banff Centre for Arts and Creativity. We promote understanding and appreciation of the world's mountain places by creating opportunities for people to share and find inspiration in mountain experiences, ideas, and visions. Other Mountain Culture programs include the Banff Centre Mountain Film and Book Festival and World Tour, a Mountain Photography Residency, and our ten day, world renowned Adventure Filmmakers Workshop. Literary Arts at Banff Centre also hosts a three-week Mountain and Wilderness Writing Program.

The competition format is the photo essay. We invite photographers to submit photo essays to illustrate their mountain related stories whether they are culture, adventure, wildlife, sport, environment, or natural history. Each essay submitted should consist of three (3) to five (5) images. We suggest you include only those images required to tell your story – unnecessary images may reduce the overall impact of your submission.

The competition's goal is to showcase the best in mountain-themed photo essays – to recognize the best stories told through a series of still images. The selection committee and jury will be seeking a sequence of images that conveys a compelling story or message – with each image strong enough to stand on its own while conveying a greater narrative when viewed in the photographer's desired sequence.

At its simplest, the definition of a photo-essay is a set or series of photographs that are intended to tell a story or evoke emotions in the viewer. Photo essays can be sequential in nature, intended to be viewed in a particular order, or they may consist of non-ordered photographs which may be viewed all at once to reveal their character and dynamics.
