

Kinnear Centre for Creativity & Innovation

The 21,000 square feet of the Kinnear Centre’s function spaces can be used for anything from small breakouts to large plenary sessions. This facility is equipped with a banquet kitchen and serves as the principal venue for private dining functions. Function spaces on both the first and second floors can open to 5,920 square feet making them suited to large banquets, tradeshow, or poster sessions. All meeting rooms feature touch-control lighting, heating, window coverings, and communication. All are equipped with built-in audio-visual equipment. The three floor sky-lit galleria provides opportunities for informal gatherings, networking, and receptions.
