<p><b>Pesnjaf Ofelii</b></p> <p>Razluchajas' s devoj miloj, drug, Ty kljalsja mne ljubit'!... Ujezzhaja v kraj postylyj, Kljatvu dannuju khranit'!...</p> <p>Tam, za Danijej schastlivoj, Berega tvoji vo mgle... Val serdityj, gororlivyj Mojet sljozy na skale...</p> <p>Milyj voin ne vernjotsja, Ves' odetyj v serebro... V grobe tjazhko vskolykhnjotsja Bant i chjornoje pero...</p>	<p><b>Ophelia's Song</b></p> <p>As you parted from your dear maiden, My friend, you swore to me of your love!.. As you left for a detested land, You swore to keep your oath!</p> <p>There, away from happy Denmark, Your shores are in darkness... The angry, eloquent waves Wash tears away from the rocks...</p> <p>My beloved warrior shall not return, All in silver dressed... In the grave the ribbon and black feather Will droop heavily.</p>

<p><b>Gamajun ptica veshchaja</b></p> <p>Na gladjakh beskonechnykh vod, Zakatom v purpur oblechjonnykh, Ona veshchajet i pojot, Ne v silakh kryl podnjat' smyatjonnykh...</p> <p>Veshchajet igo zlykh tatar, Veshchajet kaznej rjad krovavykh, I trus, i golod, i pozhar, Zlodejev silu, gibel' pravykh...</p> <p>Predvechnym uzhasm ob"jat, Prekrasnyj lik gorit ljubov'ju, No veshchej pravdoju zvuchat Usta, zapekshiesja krov'ju!</p>	<p><b>Gamayun, the bird of prophecy</b></p> <p>Over the smooth and endless waters Which the sunset has turned to purple, She utters prophecies and sings, Too weak to raise her uncertain pinions...</p> <p>She prophesies the cruel Tartars' yoke, A succession of bloody executions, Earthquake, and famine, and flames, The power of tyrants, the death of the righteous...</p> <p>Seized by primordial terror, Her beautiful face burns with love, But with prophetic truth resound Those lips stained with blood!</p>

<p><b>My byli vmeste</b></p> <p>My byli vmeste, pomnju ja...          Noch' volnovalas', skripka pela,          Ty v `eti dni byla moja,          Ty s kazhdym chasom khoroshela.</p> <p>Skvoz' tikhoje zhurchan'je struj,          Skvoz' tajnu zhenstvennoj ulybki          K ustam prosilsja poceluj,          Prosilis' v serdce zvuki skripki...</p>	<p><b>We were together</b></p> <p>We were together, I recall...          The night was agitated, a violin sang...          In those days you were – my own,          With every hour you grew more fair...</p> <p>Through the quiet gurgle of the stream,          Through the mystery of a feminine smile          A kiss begged for lips,          The sounds of the violin begged to enter my heart....</p>

<p><b>Gorod spit</b></p> <p>Gorod spit, okutan mgloju,          Chut' mercajut fonari...          Tam daljoko, za Nevoju,          Vizhu otbleski zari.</p> <p>V `etom dal'nem otrazhen'ji,          V `etikh otbleskakh ognja          Pritailos' probuzhden'je          Dnej, tosklivykh dlja menja...</p>	<p><b>The city sleeps</b></p> <p>The city sleeps, wrapped in darkness,          The streetlamps barely flicker...          Over there, beyond the Neva          I espied the gleaming of dawn.</p> <p>In this faraway reflection,          In those glimmerings of fire,          Lay concealed the origins          Of days which for me have been bleak...</p>

<p><b>Burja</b></p> <p>O, kak bezumno za oknom          Revjet, bushujet burja zlaja,          Nesutsja tuchi, l'jut dozhdom,          I veter vojet, zamiraja!</p> <p>Uzhasna noch'! V takuju noch'          Mne zhal' ljudej, lishjonnnykh krova,          Sozhalen'je gonit proch' -          V ob"jat'ja kholoda syrogo!</p> <p>Borot'sja s mrakom i dozhdom,          Stradalcev uchast' razdeljaja...          O, kak bezumno za oknom          Bushujet veter, iznyvaja!</p>	<p><b>The storm</b></p> <p>O, how wildly outside my window          The savage tempest roars and rages,          The scudding storm clouds unleash the rain          And the wind howls as it fades!</p> <p>The night is dreadful! On such a night          I pity those bereft of shelter.          And compassion drives me forth          Into the embrace of the chill and damp!...</p> <p>To contest with the gloom and rain,          Sharing the fate of those who suffer...          O, how wildly outside my window          The wind rages as it wearies!</p>

<p><b>Tajnye znaki</b></p> <p>Razgorajutsja tajnyje znaki Na glukhoj, neprobudnoj stene. Zolotyje i krasnyje maki Nado mnoj tjagotejut vo sne.</p> <p>Ukryvajus' v nochnyje peshchery I ne pomnju surovykh chudes. Na zare golubyje khimery Smotrjat v zerkale jarkikh nebes.</p> <p>Ubegaju v proshedshiye migi, Zakryvaju ot strakha glaza, Na listakh kholodejushchej knigi - Zolotaja devich'ja kosa.</p> <p>Nado mnoj nebosvod uzhe nizok, Chjornij son tjagotejet v grudi. Moj konec prednachertannyj blizok, I vojna, i pozhar - vpered...</p>	<p><b>Secret symbols</b></p> <p>The secret symbols burst into life Golden and crimson poppies Loom over me in my dreams.</p> <p>I conceal myself in the caverns of night, And no longer recall the solemn miracles. At dawn pale blue chimeras Gaze into the mirror of the bright heavens.</p> <p>I will retreat into moments from the past, Closing my eyes with terror. On the pages of a book which grows cold – A maiden's golden tresses.</p> <p>The canopy of the sky hangs low above me, A dark dream lies oppressive in my heart. My predestined end is near, War and flames lie ahead...</p>

<p><b>Muzyka</b></p> <p>V noch', kogda usnjot trevoga I gorod skrojetsja vo mgle, O, skol'ko muzyki u boga, Kakije zvuki na zemle!</p> <p>Chto burja zhizni, Jesli rozy twoji cvetut mne i gorjat! Chto chelovecheskije sljozy, Kogda rumjanitsja zakat!</p> <p>Primi, Vladychica vseleannoj, Skvoz' krov', skvoz' muki, skvoz' groba Poslednej strasti kubok pennyyj Ot nedostojnogo raba.</p>	<p><b>Music</b></p> <p>At night, when alarms fade, And the city is wrapped in darkness, How much music there is in the divine, What sounds can be heard on earth!</p> <p>What are the storms of life to me, If your roses blossom and glow!! What the sorrows of mankind, When you can watch the crimson sunset!</p> <p>O Lady, Sovereign of the Universe, Accept – through blood, through pain, through death – This foaming cup, filled to the brim With the last passions of your unworthy slave!</p>
