Please ensure your one-page funding application meets all of the above requirements or we cannot consider your request for funding.

Terms and Conditions

Once an amount of funding has been allocated to you, it is unavailable for someone else. For this, and additional reasons established by our donors, we have the following conditions attached to all of our grant awards.

1. The grant is awarded to the organization sending the individual – payment is applied to the account.
2. The participant must complete the full course.
3. Should the intended participant not be able to attend, substitution by the organization is permitted – provided any pre-course work can be completed.
4. Cancellations (less than two weeks prior to course start) and no-shows to the course selected will result in your organization being ineligible for further grants for the next two years. Regular cancellation penalties will also apply; please inquire for details.
5. Participants may be asked to meet with their donor during the program to share their experience.
6. Participants receiving this funding must complete the required evaluation process at the end of the course.
7. Participants must provide donor thank-you letters and post-course requests for testimonials and additional feedback. Participants will also be asked to reflect on the expected benefits and processes, to share their learning, and report on the impact of the course on their leadership and organization.

I agree to the terms and conditions above, should I receive a grant. **(Note: two signatures are required)**
