Fall 2019

CLIMBING GYM INFORMATION

Banff Centre is proud to have the only indoor climbing gym in Banff. An ideal place for both the newcomer and the experienced climber, the Climbing Gym offers public hours and programming from 4 years old and up.

Public Hours:	Everyday	12:00 pm – 10:00 pm	Equipment Rentals:	Harness	\$3.00
				Climbing Shoes	\$3.00

TYPES OF CLIMBING

Bouldering

This does not require any ropes, as the height you can climb up to is limited to 3.5 metres (12 feet). Boulder problems – set arrangements of climbing holds below the height limit – are created approximately every two weeks.

Auto-Belays

These devices are used to climb to the top of the wall without a partner. An orientation on how these are used is required before the first use. We have three auto-belays in the gym that move to different areas of the gym each week. These are perfect if you don't have a partner, have never used the ropes before, or if you have children, because they allow you to experience climbing as high as you dare!

Top-Rope Climbing

Ropes that are anchored at the top of the gym are called top-rope climbs. A partner is required to use the top-ropes, and we do check the climber's ability to tie their knot when they are climbing and their belay skills when they are belaying for the first time.

Lead Climbing

We have a variety of climbing terrain for lead climbing, including a one-of-a-kind arch. A belay check is required before lead climbing the first time. We are looking at the skills of the climber and belayer, so it is best to bring a partner with you for this check.

ADULT COURSES & PROGRAMS
